Signup Scenario (2)
using Facebook

Continue as Abhil

Or
Not Abhil?

FB ID

FB Password
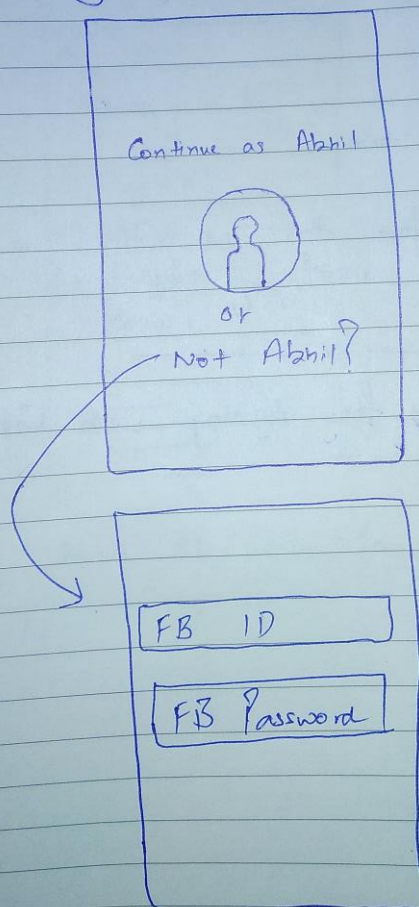

(4)

After Logging in with FB, we
can import following data:

* Name
* DOB
* Profile Picture

After that, we can give him/her
links for verifying phone.

——— x ———

Same goes for Signing with Google.

After Signing up and verifying phone/mail we will give options to choose language

```
< >

Choose your language

O  English

O  Hindi

O  Punjabi

O  Bengali

   _____

   _____

   _____
```

On basis of these languages, we will give categories and subcategories.

After language, choose Categories
